Friendship

Something very rare
But also very common
It's why you care
Why you laugh
And without it you'd be sad

Have you guessed it?
What it is?
Well, if you haven't,
Then let me tell you,
It goes by the name of "Friendship",
And it's something very sweet.

Have you imagined what it would be,
To have no friends and be alone?
It can't be good,
But there's always someone.

That's the thing about Friendship:
It appears in the strangest
And more hopeless
Of places,
And it makes people happy,
Whether they know it's there or not.
