### The road to greatness

We have come a long way  
Since the days of oppression  
But are we still the same way?  
Is this some kind of fashion?

Divided by religion, skin and sexuality  
Throwing hate at each other  
We can never live in equality  
Being hostile to one another.

Cooperação, cooperazione, cooperation  
One word with so many translations  
And we don't understand its definition yet  
But the key to achieve it is determination, I bet.

We still have a long way to go  
To end discrimination and hate  
This is not the end of the road  
We have yet to be great!
