## **Human Values**

Humans values are very important

This means to get justice for all

It doesn't matter if you are great or small

Humans values are very important

This means to get freedom for everyone

It doesn't matter if you are white or black

Humans values are very important

This means to express your own opinions

It doesn't matter if you are a man or a woman

Humans values are very important

This means to respect the other people

It doesn't matter if you are Muslim or not
